Happy Easter Holiday

Please have a lovely Easter break over the next two weeks. We look forward to having the children back to school on **Tuesday 14th April 2015**.

Please note that the children are not in school on Monday 13th April as we have a teacher training day.

Building Work Update

The new hall extension is expected to be in use after the holiday with a few finishing touches happening this week.

Our next big project is to redesign and resurface the KS2 playground. We are aiming for this to be completed during the Summer holiday.

School Nurse

If you would like the talk to the school nurse about any medical concerns you have for your children, please feel free to make contact with Michelle Kerr.

Free Lunchtime Milk

Recent changes in 2015 require schools to offer milk to children once a day during school hours. The guidance states that milk should be free to those children entitled to a free school meal and that schools can charge other pupils.

We have decided to offer milk at lunchtimes to all children free of charge.

Red Nose Day 2015

Thank you for the many contributions to Red Nose Day 2015 at Arbury. One of the many highlights of the day was the A-Factor, where children from KS2 completed in an amazing display of talents.

Due to the generosity of children, staff, parents and carers, we were able to donate **£870.13**. Thank you!

Morning Punctuality

Although punctuality has improved considerably over the last couple of years, we still have a number of families who are not getting to school consistently by 9.00am.

The doors to the KS1 corridor are opened shortly before 9.00am. In KS2, staff collect children from the KS2 playground at 9.00am. The doors to the playgrounds will be closed promptly after 9.00am.

If children arrive once the doors are closed, they will need to go the main school office in order to register.

This is to ensure that have an accurate electronic register of all the children in school.
